

28 SEPTEMBER 2025

Kind attention to: **ALL PARENTS / GUARDIANS OF FAMILY HOPE CENTER STUDENTS**  
Subject : **HEALTH AND SAFETY REMINDER – CHILD DURING ILLNESS**

Beloved Parents/Guardians,

At Family Hope Center, the health, safety, and well-being of our students and staff remain our top priority. In order to maintain a healthy learning environment for everyone, we kindly request your cooperation in keeping your child at home if they are sick or unwell.

Please do not send your child to the Center if they are experiencing any of the following ailments or symptoms:

- Fever
- Cough, cold, or flu-like symptoms
- Any contagious or infectious disease

Allowing your child to rest and recover at home will not only support their healing but will also help prevent the spread of illness to other students and staff.

 **Suggestion:** We strongly encourage parents to consult a doctor if symptoms persist and to ensure that the child is fully recovered before returning to the Center. A medical clearance may be requested in certain cases for the safety of all.

We appreciate your understanding and cooperation in this important matter, it is our best interest to maintain a safe and healthy environment for all our children.

Warm regards,

Sincerely,

**Dr. Joelle Al Asmar**

Head of Center
